## VBA for Microsoft Office 2013, Brief (Paperback)

By Mary Anne Poatsy, Keith Mulbery, Jason Davidson

Prentice Hall, United States, 2014. Paperback. Book Condition: New. Brief. 269 x 213 mm. Language: English . Brand New Book. This three-chapter book provides an overview of VBA and then a full chapter each on VBA in Excel and VBA in Access. It is an ideal complement to the Excel or Access Comprehensive textbook for those looking for more VBA coverage. Move students beyond the point-and-click. The goal of the Exploring series is to move students beyond the point and click, to understanding the why and how behind each skill. And, because so much learning takes place outside of the classroom, this series provides learning tools that students can access anywhere, any time. Students go to college now with a different set of skills than they did years ago. With this in mind, the Exploring series seeks to move students beyond the basics of the software at a faster pace, without sacrificing coverage of the fundamental skills that everyone needs to know. NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson s MyLab Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson s...
