Outskirts Press. Paperback. Book Condition: New. Paperback. 294 pages. Dimensions: 8.4in. x 5.4in. x 0.8in. 1970 ushered out a decade of events that some thought would tear America apart. He would join the Navy. He would hold the Navy to its recruiting poster promise. Join the Navy and See the World A world he thought would be void of violence, hatred, and racism and full of fun and adventure. What he didnt expect was...
