

Theory and Practice, Applied to the Cultivation of the Cucumber, in the Winter Season: To Which Is Added, a Chapter on Melons (Classic Reprint) (Paperback)

By Thomas Moore

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Theory and Practice, Applied to the Cultivation of the Cucumber, in the Winter Season: To Which Is Added, a Chapter on Melons This little treatise is intended as an inducement to young gardeners especially, to seek for the reasons on which the operations of their daily practice are founded, and by which they are regulated. This announcement is here made, in order to prevent any reader from supposing that the author has unduly estimated the opinions of those who have benefited by a long course of application and experience. As, however, there can be no doubt that there is much to be learned, so is there but little question that there is also much to be unlearned, in the present state of the science of horticulture; and these pages are offered without hesitation, as a mite among the accumulating mass of available information on gardening subjects; and in the hope that some amongst those who are seeking to extend their knowledge, may at least be stimulated by their perusal, if they are not otherwise directly...
