READY-TO-USE ART NOUVEAU INITIALS (PAPERBACK)

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 272 x 203 mm. Language: English . Brand New Book. Characterized by long leafy tendrils, lush florals and graceful female figures, the curvilinear designs by Art Nouveau are especially well-suited to graphic arts, as revealed in this encyclopedic archive of over 900 copyright-free, ornamented letters. Selected by Carol Belanger Grafton from authentic turn-of-the-century sources, these ready-to-use initials are rendered in an astonishing array of sizes and styles: entwined in lush thickets of flowers and leafy vines; ensconced in elaborate interlacings; adorned by stylized birds, insects and animals; amid urban and rural scenes; embellished by heads and figures of men, women and children, and in many other attention-getting formats. Designers in need of imaginative initials reflecting the style, ambiance and flair of Art Nouveau will find this splendid treasury indispensable for enhancing advertisements, newsletters, brochures, programs - almost any graphic project.
