Reviews

This ebook might be worth a read, and superior to other. It is probably the most remarkable book i have got read. Its been designed in an remarkably straightforward way and it is merely soon after i finished reading this publication where really modified me, alter the way i really believe.

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Night Manager, John Le Carre, In The Night Manager, John le Carre's first post-Cold War novel, an ex-soldier helps British Intelligence penetrate the secret world of ruthless arms dealers. "Le Carre is the equal of any novelist now writing in English." (Guardian). "A marvellously observed relentless tale." (Observer). At the start of it all, Jonathan Pine is merely the night manager at a luxury hotel. But when a single attempt to pass on information to the British authorities - about an international businessman at the hotel with suspicious dealings - backfires terribly, and people close to Pine begin to die, he commits himself to a battle against powerful forces he cannot begin to imagine. In a chilling tale of corrupt intelligence agencies, billion-dollar price tags and the truth of the brutal arms trade, John le Carre creates a claustrophobic world in which no one can be trusted. "Complex and intense.page-turning tension." (San Francisco Chronicle). "When I was under house arrest I was helped by the books of John le Carre.they were a journey into the wider world.These were the journeys that made me feel that I was not really cut off from the rest of humankind." (Aung San Suu Kyi). "One of those writers who will be read a century from now." (Robert Harris). "He can communicate emotion, from sweating fear to despairing love, with terse and compassionate conviction." (Sunday Times (on The Spy Who Came in from the Cold)). "Return of the master.Having plumbed the devious depths of the Cold War, le Carre has done it again for our nasty new age." (The Times (on Our Kind of Traitor)).
