Brand New Book ***** Print on Demand *****.Excerpt from *The Worcester Book: A Dairy of Noteworthy Events of Noteworthy Events in Worcester, Massachusetts, From 1657 to 1883* In the preparation of this volume my purpose has been to provide a Reference Book of Dates for Worcester events, which would readily afford often desired information as to the exact time of any noteworthy local occurrence. With this end in view, a large number of items have been gathered, including not only the more important matters which are familiar in print, but also many of a kind not usually noticed in town histories. Among the latter may be mentioned the visits of literary, theatrical and musical celebrities; political conventions, meetings and disturbances; exhibitions, fairs, lectures and entertainments; riots, accidents and calamities; natural phenomena; and many things uncommon and singular. Notes, explanatory, historical, biographical or anecdotal, have been added; and a complete index will be found at the end. In the compilation of the matter I have drawn freely from the many printed works relating to the history of Worcester, both general and special; from the files of the Worcester papers, (which I have been kindly allowed to consult at my convenience at the library of the American Antiquarian Society); from the publications of The Worcester Society of Antiquity, which have supplied many original items; and from other sources too numerous to mention. I am also indebted to many persons for facts and statements included in the book, some of which appear in print for the first time.
