Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Random House USA Inc, United States, 2011. Paperback. Book Condition: New. 202 x 128 mm. Language: English . Brand New Book. A remarkable work of reportage by Nobel Prize Laureate V. S. Naipaul that surveys belief and religion among the disparate peoples of Africa. Like all of Naipaul s travel books, The Masque of Africa encompasses a much larger narrative and purpose: to judge the effects of belief (in indigenous animisms, the foreign religions of Christianity and Islam, the cults of leaders and mythical history) upon the progress of civilization. It is a masterly achievement by one of the world s keenest observers and one of its greatest writers.
