Orchard, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Back when the world was young, it was very noisy. The forests and fields throbbed with hoots and roars, screeches and yowls. What a din! And the noisiest creatures of all, the ones with the loudest and most annoying sounds, were the butterflies. Day after day, the butterflies boasted and argued as they flitted from flower to flower, never paying attention to the world around them. Then, one stormy day, a great noise made the whole world tremble. The butterflies were stunned into silence and suddenly filled with awe. With vibrant illustrations that portray both raucous activity and hushed serenity, this graceful tale illuminates the special beauty that only quiet can reveal.
