A detox cleanse does not have to be complicated. It s an effective, whole-foods-based nutrition action plan that will reset your body natural default whilst also ridding your body of harmful toxins, preservatives and fats found in processed foods. In removing these substances from your diet you can give your body a chance to detox and heal, thus restoring it to its natural function. Detox Cleanse is different from other diet or detox programs that encourage you to consume only shakes, juices, or smoothies; or rely heavily on supplements and very-low-calorie or very-low-fat diets to ensure success. We want you to focus on eating quality protein foods, taking in just the right type of healthy fats and good carbs, so there s little disruption to your daily life. In this book you will learn the basics about what a detox cleanse is and how it works. There s also information on specific types of detox cleanses. You will also receive specific information regarding how to engage in a cleanse and some precautions to take before you get started. To finish up, you will receive over 100 delicious detox cleanse recipes to help you get started on your journey. What are you waiting for? Get started today!.
