THE TWELVE POWERS IN YOU

Health Communications. Paperback. Book Condition: New. Paperback. 338 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. Twelve Powers in You re-introduces the idea popularized by Unity Church leader Charles F. Moore that the body has twelve powers: faith, wisdom, enthusiasm, power, imagination, understanding, love, order, life, strength, release and will. These twelve powers are not separate from the physical body, but are expressed through it. This fascinating book teaches readers how to access these dynamic powers to bring them healing, love and success. Authors David Williamson, a minister, Gay Lynn Williamson, a psychotherapist, and Robert Knapp, a medical doctor, have spent most of their lives exploring the terrain of our whole being. Now, they've incorporated their comprehensive and unique blend of skills to help readers-as they have helped thousands of others in their practices and ministry-explore and develop the Twelve Powers inherent within everyone. Using a whole-brain learning approach that incorporates visualizations, affirmations, exercises and case studies, the book is comprehensive yet easily accessible. Readers will learn how others have healed themselves by harnessing their twelve powers, learn how to express each power in themselves in a healthy way and gain medical expertise on how each power externalizes within a particular organ or body system. This must-have book makes a marvelous self-study course on self-improvement for the whole year. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
