Brand New Book ***** Print on Demand *****.Excerpt from *As a Career: A Course of Study Based on the Work and Objectives of the Federal Prison System* Prison work is a career. Few fields of government work offer as many opportunities for genuine public service as does prison work. There are throughout the United States about 120 prisons and reformatories, not including juvenile institutions and jails. These institutions take care of an annual population of approximately 150,000 prisoners and employ anywhere from 15,000 to 20,000 men and women. The Federal Prison Service, as well as practically all of the most progressive state prison systems, operates under some form of merit or civil service plan. The prison, as we have it today, has a long past and a strange history. Its basic philosophy and methods of treating prisoners have been and still are a part of the complex social and economic problems with which the community, the state, and the country are continually faced. Approached with the proper attitude and background, prison work is both interesting and stimulating. Success in prison work, as in any other field of human endeavor, is dependent upon sound knowledge and valid experience. This book has been prepared, therefore, to provide the fundamental background material on which understanding experience can be based. It presents a description of the Federal Prison System, an explanation of the variety of its program and the range of its facilities, and some discussion of the principles and theories upon which the system as a whole is based. A careful and conscientious study of this course is fundamental to the proper understanding of any position in the Federal Prison Service and the first prerequisite to any...
