Unicorn Publishing Group, United Kingdom, 2016. Paperback. Book Condition: New. 240 x 185 mm. Language: English . Brand New Book. Remi Rough has been making images for more than a quarter of a century. His art began on walls and trains in south London in 1984; today it has been exhibited in cities such as Miami, Newcastle, Berlin and New York. A respected graffiti artist, Remi has also played a significant part in the development of abstract graffiti , a term that seems far too clinical to describe the accomplishments of his work, which has always been about the interplay of colour and shape. As part of the collective Agents of Change, Remi has also been re-imagining public spaces, from an abandoned ghost village in Scotland, to the exterior of the Megaro Hotel in the centre of London, as well as other international locations.
