Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Everett Stanton)

TOM-ALL-ALONE'S

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Tom-All-Alone's, Lynn Shepherd, The story of Tom-All-Alone's takes place in the 'space between' two masterpieces of mid-Victorian fiction: Bleak House and The Woman in White - overlapping with them, and re-imagining them for a contemporary reader, with a modern understanding of the grimmer realities of Victorian society. Charles Maddox, dismissed from the police force, is working as a private detective and can only hope to follow in his uncle's formidable footsteps as an eminent thief-taker. On a cold and bright Autumn morning, a policeman calls on Charles at his lodgings with information that may be related to a case he is working on. He goes to a ruined cemetery to find a shallow grave containing the remains of four babies has been discovered. After examining them he concludes they are not related to his investigation, which is to find a young girl abandoned in a workhouse 16 years before, when her mother died. But all is not as it first appears. As he's drawn into another case at the behest of the eminent but feared lawyer, Edward Tulkinghorn, London's sinister underbelly begins to emerge. From the first gruesome murder, Charles has a race against time to establish the root of all evil. Tom's-All-Alone is 'Dickens but darker' - without the comedy, without the caricature, and a style all its own. The novel explores a dark underside of Victorian life that Dickens and Collins hinted at - a world in which young women are sexually abused, unwanted babies summarily disposed of, and those that discover the grim secrets of great men brutally eliminated.
