## IT TAKES A PILLAGE: BEHIND THE BAILOUTS, BONUSES, AND BACKROOM DEALS

Wiley, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A former Wall Street manager turned muckraking journalist gets inside how the banks looted the Treasury, stole the bailout, and continued with business as usual We all watched as packs of former Big Financiers commandeered posts in Washington and lavished trillions in bailouts to "save" big Wall Street firms that used that money for anything and everything except to fill in Main Streets potholes. We all watched as Wall Street heavyweights fought tooth and nail to declaw financial reform and won. Former Wall Streeter Nomi Prins has been watching, too, and she is not going to let them get away with it. More than just an angry populist, commentator stuck on the sidelines, Prins understand Big Finance and big money and big schemes- and in this book she exposes the fundamental follies of our economic system and the schemes of the bigwigs who have no intention of letting it change. Remarkably combines detail, clarity, and narrative momentum, revealing all the ways in banks gamed the system to get the most money with the least oversight. Exposes the power-bankers who bagged more than \$5 billion in compensation before and after their companies grabbed more than a trillion dollars in federal bailout subsidies- and how the governments indignation at this didnt lead to change. Shows how the most egregious pillagers work at the Fed and Treasury department, detailing how Hank Paulson, Ben Bernanke, and Tim Geithner siphoned off \$10.7 trillion from the publics future for Big Finances present, all the while telling us it was for our own good. Slams a financial system that will not change, if our government doesnt force it to change, no matter what happens in the so-called free market and why the sweeping...
