Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

LA BASSE-COUR (PAPERBACK)

Read Books, United Kingdom, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This early work, written in French, is a fascinating read for any poultry enthusiast or historian. Its 93 pages contain a wealth of information about poultry rearing by women in rural Northern Tunisia. Contents include a comprehensive guide to poultry related conversation with Arabic translation and grammatical and cultural notes, extensive commentary on poultry themed folklore of the region, a list of poultry based Tunisian proverbs and expressions, and a Tunisian fairy story about The Enchanted Little Hen. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
