

The Body Economic: Eight Experiments in Economic Recovery, from Iceland to Greece (Paperback)

By David Stuckler, Sanjay Basu

Penguin Books Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. The Body Economic is the first, agenda-shaping, look at the human costs of financial crisis - the culmination of ten years work by two pioneering researchers - Sanjay Basu and David Stuckler. The global financial crisis has had a seismic impact upon the wealth of nations. But we have little sense of how it affects one of the most fundamental issues of all: our physical and mental health. The Body Economic puts forward a radical proposition. Austerity, it argues, is seriously bad for your health. We can prevent financial crises from becoming epidemics, but to do so, we must acknowledge what the hard data tells us: that, throughout history, there is a causal link between the strength of a community's health and its social protection systems. Even amid the worst economic disasters, negative public health effects are not inevitable: it's how communities respond to challenges of debt and market turmoil that counts. Now and for generations to come, our commitment to the building of fairer, more equal societies will determine the health of our body economic. Explosive .powerful....
