Lulu.com, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Whispers in the Dark is the fifth book of poetry published by Latonya D. Young and it is by far one of the best in her collection. This book of poetry is romantic, bold and wild. The way that love and heartbreak are expressed in this body of work is delightful and unexpected. The poetry written in this book speaks directly to the reader s heart, leaving them yearning for more by the end. There are poems in the body of the book for every stage of love and heartbreak that we sometimes in life find ourselves going through and it s unbelievably easy to get lost in each poem and begin reminiscing about past loves, past heartbreaks and past lovers that we can t seem to completely get off of our minds. As you read, each poem will definitely sink into your heart as well as your mind. This is a page turner so read, laugh, cry, reminisce and above all else, feel!.
